

The **Graceville State School Fete** is an annual event which this year will be held on **SATURDAY 24th of AUGUST 2019**. It is our school's major fundraiser and is the largest community event that the school holds with traditionally over 5000 people attending the event throughout the day.

PROMOTION

Sponsorship of the Graceville State School Fete is a great way to promote your business. We offer a variety of levels of sponsor packages so that you may choose the product that best suits your needs.

NETWORKING

Interaction with the community through sponsorship allows for unique networking opportunities. Meet face-to-face with your potential customers and build beneficial business relationships.

YOUR CONTRIBUTION HELPS

Our children have gained significant educational benefits from the funds raised at the Fete. Like in previous years, a significant portion of the profits from this year's event will go towards making our school greener and having a more sustainable electricity supply through solar power. Part of the profits will also be saved towards the possibility of setting up a recycling centre, in line with the Government's Containers for Change initiative.

HOW TO BECOME INVOLVED

Participating in the Graceville Fete is easy. Simply contact us on the email below.
